Dear Doc Sarah,

Thanks to Helen and Rod, I have found the link where you can submit a Cochrane Review of Arachnoiditis, should you ever be interested in doing so. It does not appear that complicated.

Here is the link to their submit a review site:

www.cochrane.iwh.on.ca/rev_submit.htm

Many thanks!

AI

Hi AI

I have been in contact with Cochrane and hope they will be up for the review.

regards,

DocSarah
