

## Questionnaire

---

Hi

If I reply to the Arachnoiditis Discussion Forum then it drops down one. Jamie managed to lock one, but Hey I am not Jamie!

Quite a number of people have replied and I have had to send out loads of thank you's to people.

Got a few queries coming in for DocSarah but have now put a Contact Us link in for her so you can just go there. OK you want a link here -

[www.theaword.org/index.php?option=com\\_content&view=article&id=3&Itemid=3](http://www.theaword.org/index.php?option=com_content&view=article&id=3&Itemid=3)

Happy now? 🍌

Might take longer than on the Forum but you will get one.

Please don't ask DocSarah to diagnose you or to contradict your doctor. It won't happen. Medical ethics and all that. But she will give you general advice and then ask me to find the article she wrote and I put up on the website.

I use to pushes all her buttons to write them but when it came to the website, I decided where they would go. Go to

[www.theaword.org/index.php?option=com\\_content&view=article&id=11&Itemid=11](http://www.theaword.org/index.php?option=com_content&view=article&id=11&Itemid=11)

and I will post there and then edit tomorrow

Bye for now

Kim
