Over on the ARAC group on MSN we have a good discussion going and we would like more input from arachnoiditis sufferers.

Tommy

www.groups.msn.com/arac

I hope that address is right. I will check back

groups.msn.com/ARAC/yourwebpage.msnw

There we go. That link is better, sorry.

Hi Tommy

Glad to advertise your group discussions. Will check out the link. It maybe the only way I get back there! Not very good at this but I might get Ann down this week is she is feeling better. Who can say.

Bye for now

Hi again

Got to the page but not to a board. I think it is two little men I have to look for on the Start button.

Tomorrows job

Did you know Jelly Babies (Sweets) contain wheat? Totally polacts me this weekend
